

Procurement Services Announces a new Wine and Spirits Supplier

January 7, 2025

Procurement Services is pleased to announce that, effective immediately, there will be two university-approved companies working together to provide the procurement and delivery of wine and spirits. These companies will replace Specialized Wine and Spirits as they no longer provide these services.

The new companies are:

Lids Liquor Delivery, LLC- responsible for the **delivery** of wine and spirits. Supplier number 682090

The Pennsylvania Winery and Distillery Management Company, LLC (PAWDMC) will **procure** wine and spirits from a Pennsylvania state liquor store. Supplier number 682136

Both companies have the same point of contact, Gary Wills.

The ordering procedures remain mostly unchanged except for creating a PO for each company. The new procedure is attached.

Please direct all questions regarding products and pricing to both companies' representative, Gary Wills, who can be reached via text/call: 267-257-1380.
